

We absolutely love seeing the wonderful photos that students take during their time with us. Sometimes, we love these photos so much that we repost them on our Instagram page! So here are our top ten favourite reposts. You can see more on [our Instagram page](#).

Especially over this next ten days, we want to fill our Instagram with Reach love. If you'd like your photo from Reaches gone by to be reposted, tag us **@reachcambridge**, and/or use the **hashtag #reachcambridge2017!** We'd also love to see screenshots of Facetimes with friends you made at Reach, photos of scrapbooks, and much more - the more creative, the better!

Bonus points for creativity, and the extra effort these students took to make sure their intention was *completely* clear.
