

We had an amazing time in Lebanon last month. It was my second time there and Dan's first time and we loved it! As the schools were dotted around Lebanon we managed to see a bit more of the country as well as the city of Beirut where we were based.

We managed to make it down to a school in Tyre which is a lovely place. I hear the beaches are very popular in the summer (they were quite deserted when we were there due to January thunderstorms!) and the Roman ruins are just incredible.

It was really great to visit all the schools and speak to students. The students were really proud of their country and gave us lots of tips of where to go and what to see. They were also incredibly enthusiastic about attending Reach Cambridge and meeting other international students to hear about their countries and cultures too. Thank you for your hospitality and we look forward to welcoming a lot of you to our program this summer!
