

Friendship Fortnight is back by popular demand – and it's bigger, better and more beautiful than ever before! Over the next few weeks, we're going to be celebrating friendships past, present and future. Connect with us on [Facebook](#), [Instagram](#) and [Twitter](#), and don't forget to bring your friends along for the ride!

What is Friendship Fortnight?

For two weeks only (26th February – 11th March), we are **tripling the 'Refer a Friend' discount to £300!**

How do I get this discount?

The process is simple: Choose your program, complete an application form and then visit your online account page to find your unique 'personal referral code'. When the referred friend (or friends!) complete an application form, they just need to quote your personal referral code in the 'discounts' space, so we know to apply the discount to your application AND their application!

What's the catch?

There isn't one! There are also no limits to the amount of people you can refer. HOWEVER, you and your friends must all pay your deposits by 11th March to secure this discount.

What if I've already referred a friend and paid my deposit?

That's great, we love that you're already engaging in the Friendship spirit! The triple 'Refer a Friend' discount only applies to **newly** referred friends. So why not bring someone else along, and you can **both** save an additional £300.
