

What is the Friendship Discount?

For a limited time only (10th - 27th March), we are tripling the 'Refer a Friend' discount to £300!

How do I get this discount?

The process is simple:

- Choose your [course](#) and make an [application](#).
- Visit your online account to find your unique 'personal referral code'.
- Ensure your friend enters your code into the 'discount code' box when completing their application.
- You will then receive a welcome email with information on how to pay your deposit. Do this by 27th March to reserve your place and secure **both** your discounts.

You can also email us directly at admissions@reachcambridge.com and we will apply the discount manually, as long as you and your friend both pay your deposit by 27th March.

What's the catch?

There isn't one! There are also no limits to the amount of people you can refer. However, you and your friends must apply and pay your deposits by **27th March** to secure this discount.

If you have any questions, please email admissions@reachcambridge.com and we'd be happy to help!

We look forward to welcoming you and your friends to Cambridge in summer 2023!
