

Hi all! This is the second post in a series on why, when deciding where to go for a summer school, Cambridge in the UK should be at the very top of your list. We'll talk about the history, location as well as the unmissable activities that will make your experience truly special and that you can't get anywhere else but this lovely English market town.

Reason 2: Cambridge's location

The location of the summer school does affect certain parts of your stay and here's why Cambridge has a lot of advantages also because of where it's based.

Proximity of Cambridge to London: You'll appreciate how close Cambridge is to London on numerous occasions. It's convenient for arrivals and departures (as a vast majority of international flights only goes to London airports), especially after a long-haul flight. London also offers some of Britain's most outstanding tourist spots and we'll thus take you for a treat during some of the Reach

Cambridge weekend excursions.

Location in England: Outside of London, England offers many great excursions spots and Cambridge is situated at a very convenient 'middle-ground'. Some of the trips planned for this year's summer sessions include places such as Dover, Stratford Upon Avon, Brighton or Warwick (although these can still change and may appear only during July or August sessions).

Have you ever been to the UK before? Where did you visit?
