

As we celebrate the 20th anniversary of Reach Cambridge, we reflect on two decades of fostering academic excellence, personal growth, and global connections in historic Cambridge. From humble beginnings, we've become a transformative summer school, thanks to incredible students, dedicated staff, and supportive families.

With this in mind, this is the first of five blog posts exploring key aspects of Reach Cambridge, highlighted through the testimonials of some of our incredible former students and their parents. Join us as we delve into the experiences that have made Reach Cambridge a transformative journey for so many.

Academic Excellence

Reach Cambridge is synonymous with academic excellence. Our summer programs, taught by experts from prestigious institutions, let students delve deep into their interests, whether in engineering, literature, or natural sciences. Our courses are designed to challenge and inspire.

Guendalina, one of our distinguished alumni, reflects on her transformative experience:

"As an academically oriented student, it has always been a struggle to find an encouraging space built on my interests and peers with the same values, dreams, and dedication. In your program, I found it all! I had the chance to attend interesting classes and lectures held by incredible professors and to live in a learning environment based on engagement and participation. The politics and International Relations program helped me to confirm my intention to choose a political science major and got me interested in new subjects such as

sociology. Reach Cambridge wasn't just an academic experience but also one of independence that helped me find the courage to choose to leave my hometown and my family, to get an education more fitting to my interests. When I first applied to the program, I could never imagine how great an impact it would have had on my life for the better." – Guendalina, Italy.

Additional Voices of our Alumni

Reach Cambridge's commitment to academic excellence has empowered countless students to pursue their passions and achieve their dreams, leaving a lasting impact on their educational journeys.

Marios, who studied Law in 2022, shares: *"Reach Cambridge was without a doubt the best experience of my life. I enjoyed the freedom it provided while being gently introduced to what university life is like. I made lifelong friends from all over the world and had many interesting debates and discussions in my classes that helped me open my mind."*

Navya, also from the Law program, reflects: *"The course, people, college and everything has been amazing. I'm so glad that I came as I've learnt so much."*

Reflecting on Two Decades of Academic Excellence

At Reach Cambridge, we are proud of our achievements, built on high-quality education, a supportive community, and a commitment to lifelong learning. Looking ahead, we are dedicated to inspiring future leaders and innovators. Our mission is to provide exceptional educational experiences that enhance knowledge and promote academic excellence at Reach Cambridge. Thank you to everyone who has been part of our journey. Here's to many more years of learning, growth, and unforgettable experiences!

If you are one of our amazing alumni and want to share your own story or testimonial, please don't hesitate to reach out as it's always a joy to hear from our students past and present.
