

## Reach Cambridge

Reach Cambridge (est. 2004) specialises in offering a range of residential summer academic programs in Cambridge and online courses for international teenagers aged 14 to 18 years old. We are most proud of the fact that many of our students come from personal referrals through family, friends, schools or agents, and many of our seasonal staff remain involved and connected to Reach in a variety of ways and return year on year.

Our mission is to enable students to prepare for the future by offering the international experience of a lifetime within a fun, nurturing and academically enriching community and we work with an incredible team of people within and outside of the organisation in order to achieve that goal.
