Cambridge

1. Inspiring Surroundings

Live & learn in the prestigious & historical University City of Cambridge

Reach Cambridge is proudly accredited by the British Accreditation Council (BAC) for Independent Further and Higher Education as a Short Course Provider.

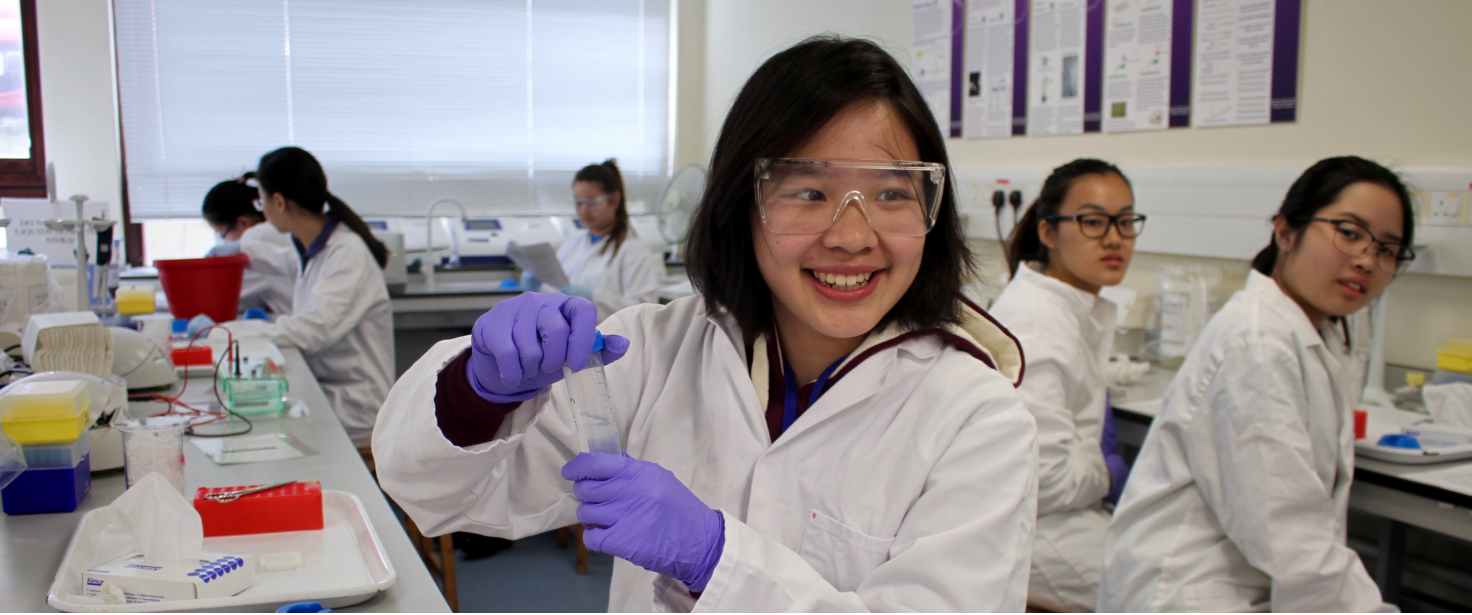

In order to achieve BAC accreditation, we have had to demonstrate that we meet the BAC's rigorous standards in four inspection areas:

- Management, Staffing and Administration
- Teaching, Learning and Assessment
- Participant Welfare
- Premises and Facilities

Health & Safety

- Ratios of 1:12
- 24 hour supervision
- Cambridge city centre small & safe
- Emergency Cards
- Sign-out system
- City boundaries
- Minimum of pairs when off campus
- Dedicated welfare supervisors
- Staff trained in first aid

2. Academic Excellence

A New Way of Learning

- The learning journey at Reach does not begin & end in the classroom.
- All courses make the most of the inspiring & academically significant surroundings of Cambridge.
- Academic trips & visits take place throughout each course.

- Science courses visit labs & research institutes.
- Our teachers are working at the cutting edge of academic research or are practicing professionals.

The image shows a long, bright library with a high, vaulted ceiling. On the left, there are tall wooden bookshelves filled with books, with a mezzanine level above them. In the center and right, there are round wooden tables with chairs, some with lamps. The ceiling is a series of repeating arches with decorative elements. At the far end, there is a large stained-glass window.

A woman in a yellow shirt is standing at a podium on the left side of the frame, gesturing with her hands as she speaks. She is facing a large audience of students seated in rows of chairs. The audience is diverse in age and appearance, with many looking towards the speaker. The setting appears to be a large lecture hall or auditorium with high ceilings and large windows in the background.
