Cambridge

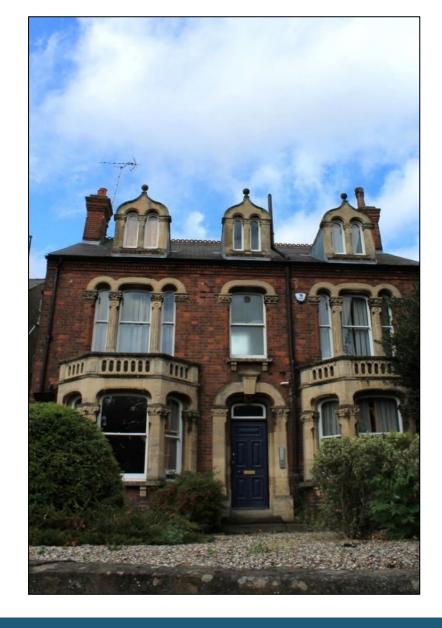

1. Inspiring Surroundings

Live & learn in the prestigious & historical University City of Cambridge

2. Academic Excellence

A New Way of Learning

- The learning journey at Reach does not begin & end in the classroom.
- All courses make the most of the inspiring & academically significant surroundings of Cambridge.
- Academic trips & visits take place throughout each course.
 - Science courses visit labs & research institutes.
 - Our teachers are working at the cutting edge of academic research or are practicing professionals.
